

**FACTORY PRODUCTION  
INSPECTION CERTIFICATE  
0334 -DPC-1011**

In application of Directive 89/106/CEE of 21/12/89 relative to the harmonisation of legislations of Member States for Construction Products (Construction Products Directive – CPD), and of amendment 93/68/CEE of 22/07/93, it has been ruled that the **construction products listed** in the annex to the present certificate for the company

**CLIPSO PRODUCTIONS SAS  
5, rue de l'Eglise  
68800 VIEUX-THANN**

Have been subjected by the producer to the initial type tests and the factory production control. The notified organisation – ASQUAL – has undertaken an initial inspection of the factory and of the factory production control. It will provide continuous supervision, assessment and approval of this factory production control.

This certificate certifies that all provisions relative to the factory production control described in Annex ZA of the appropriate application norm

**EN 14716**

have been applied and that the products quoted in page 2/2 answer the prescribed requirements.

This certificate was published on **14 April 2009** for the first time and remains valid for as long as the conditions drawn up in the referenced harmonised technical specifications or the factory production conditions or the factory production control itself are not modified substantially, until **14 April 2010**.

In the event of a legal problem, the French version shall alone be deemed authentic.
